28 the applicant's reasonable fluency in English. The temporary license must be in the applicant's immediate
29 possession while operating a commercial motor vehicle and is invalid when the applicant's license has been
30 issued or for good cause has been refused.

(6) The department may in its discretion issue a temporary medical assessment and rehabilitation driving permit, as provided in 61-5-120."

(b) Each of the tests and examinations required by this section must be given to and responded to by the applicant in English.

~~(b)~~(c) The knowledge test, road test, or skills test may be waived by the department upon certification of the applicant's successful completion of the test by a certified cooperative driver testing program, as provided in subsection (3) or by a certified third-party commercial driver testing program as provided in 61-5-118.

(3) The department is authorized to certify as a cooperative driver testing program any state-approved high school traffic education course offered by or in cooperation with a school district that employs an approved instructor who has current endorsement from the superintendent of public instruction as a teacher of traffic education or any motorcycle safety training course approved by the board of regents and that employs an approved instructor of motorcycle safety training and who agrees to:

~~(iii)~~(iv) the applicant wants to remove or modify a restriction imposed on the surrendered license.

(c) When a license from another jurisdiction is surrendered, the department shall notify the issuing agency from the other jurisdiction that the applicant has surrendered the license.
